THE NEWSLETTER OF FACE TO FAITH MINISTRIES | JUNE 2021 – VOLUME 8, NUMBER 1

Apostle Madonna P Johnson.

Have you ever wondered why COVID came? COVID is a plague but much like those in ancient Egypt. But injustice, racism, gun violence, domestic abuse, illiteracy, anger, and homelessness are all plagues. Why are they important? This is an awakening. Our old normal was insufficient. Every plague is designed to set someone free and to bring us into new, more accountable, more faithful, and more powerful versions of ourselves. Plagues are designed to

Time for the Most Powerful You

make us appreciate the gifts and the grace Jesus has invested in us. We are more than what we have become; and Jesus is taking the small and simple things in our lives to make a wonderful and enduring impact in our families, our communities, and yes, the world. It is time for us to return to where we all came from and that is the love of God. Only in Christ can we max our potential and be our best for each other. On this side of COVID, it is time for the most powerful you.

WHERE HELP HAPPENS

Whether it was someone to care for our property or help us dispense our trash or help us carry heavy boxes, dear brothers like Pops, Peasey, Mike, and Nick here in Easton continue to have the heart and the hands to show their love and thoughtfulness for our ministry. We bless the brothers in Easton and pray one day they will soon join us and help us build lives through the love and gospel of Jesus Christ.

Ty'Lae & Dana Get a Fresh Start

Behold, the Lord is doing a new thing as His love is transforming lives one soul at a time. On May 23, Ty'Lae Phillips received the Jesus Christ as

her Lord & Savior. And we bless the Lord that Sister Dana Wilson re-dedicated her life to serve Christ and grow in His love and His word. It is our honor to love and support them as they become God's great plans for their lives. Thank you, Dana. Congratulations Ty'Lae & Dana.

10-Year-Old Londyn speaks: "Don't Get Tired"

Without hesitation and with great enthusiasm, Londyn Thomas stepped in a tag-team message about growing full faith and did a masterful job. She is a gifted 10-year-old with courage and confidence. Good job, Londyn!!!

“I thank my God upon every remembrance of you, . . . being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ.”
Philippians 1: 3 & 6

ARE YOU COVID COVERED?

Just yesterday a pregnant DC woman died of COVID-19. She had decided to wait until later in her pregnancy to get vaccinated but never did. She and her unborn child perished, why, . . . she was not vaccinated. Though restrictions are lifting and death rates are sharply declining, protecting ourselves, our families, and our communities remains a major public health crisis. President Biden's agenda is attainable and working. Recently, Elder JR and his nephew, Minister

Micah, traveled to the Bahamas and had to work through the Bohemian Health Ministry and numerous channels just for a 4-day stay. It is worth it. Please remain vigilant. Wear masks when indicated as many people remain unvaccinated. Let's work to keep each other safe as we encourage compliance toward the July 4th plan for 70% of Americans to have at least one dose. Every one of us can help all of us.
