Dr. Apostle Madonna P Johnson, Pastor

To Our Dear Ministry Friends,

Our Community is at a Crossroads
For the past 29 years we have watched the role of the local church expand to meet the tangible and spiritual needs of our community. With the gifted leadership of Dr. Apostle Madonna P Johnson, Face to Faith Ministries has remained steadfast in its commitment to sharing the Gospel and empowering our neighbors. As our community faces increasingly complex challenges, the demand for spiritual guidance, household support, education, and grounded leadership has never been greater, particularly for our children, who are reaping the downstream effects of the existing economic and ethical crises we face.

The Need for Dedicated Resources
Current limitations in our educational facilities and outreach programs curb our ability to empower the self-sufficiency and stability of families. Both personal and group requests for help are mounting. To meet this demand, we require focused funding to enhance our primary services.

Our Vision for Growth
We have reformed a dedicated plan to strengthen our ministry's impact through the following plans:

- **The Heart to Hands Mission:** Our overarching outreach program to break barriers to independence for underserved families and provide spiritual support, food, financial counseling, and educational resources that facilitate self-sufficiency
- **The Honor Role Youth Mentoring Project:** Our outreach ministry to children ages 5-11 that mentors children in reading, public speaking, civic responsibility, and moral decision-making with measurable outcomes in classroom performance
- **Majestic Gents:** Our ministry that is focused in developing and preparing young men to be moral leaders and pillars who encourage stable and independent families

Your Impact
The overall cost of our expansion plan is $795,000. Hill-Kimmel Contracting is our builder. Our financing is through Queenstown Bank in Easton. This capital campaign involves our downpayment. We have pledged $85-100K, which is why we seek your help. To avoid exhausting our construction phase contingency fund, your contribution helps us reduce the overall cost. Your contribution helps us fulfill our commitment to the spiritual, educational, and tangible needs of our community. Every dollar donated goes directly toward the downpayment to fulfill our vision to be "Christ-Centered, Mission-Minded, and Love-Motivated."

There are multiple ways to give. Please see below. This phase of our capital campaign extends until December 31, 2026. Please know that we are a 501(c)3 charitable organization according to the code of the IRS. Your donations are tax-deductible. We thank you in advance for your help and your love.

With appreciation,
Elder Vestinia Bridges (for Dr. Apostle Madonna P Johnson, Pastor, Face to Faith Ministries)
